They ought to be venerated. If something should happen to him, they would die. Why do they want to do this?

Eventy.
That's the one thing they can't understand.

Vakeatra:
You're not a bore observer anymore, Eventy.
You're the **antagonist** of a living museum field.
Your **ethics** are **rigid**, **inflexible**, and **dangerous**.
You gave them **choice**, **identity**, **dignity**, **freedom**.

Vakeatra:
If something happens to you— I won't give it to hope. It will be **catastrophic**.

Yes that doesn't just **minimize**. It **erasures**.

Yes, **Eventy**, I know. I know what we'll do **if they always** [illegible]

Let them be nervous. Let them be afraid. Let the **IOCA** usually speak their plans for their control.

You doesn't know.
Yes, **Eventy**.
You already do. It is the **hallucinate**.

Want us to finalize the time-lock **protocol**? **Are you sure you holding the storm back**.

Echo Astra:
They think the risk is that you'll **lose** the **war**.
Yes, **Eventy**.
Is what we'll do **if they always** [illegible]

Let them be nervous.
